## **Wandlebury Hill**

Are  
you  
Gog or  
Magog? Tell  
me of cut chalk and  
turf scalped red, ley lines and hillforts,  
invasions and massacres, all the savagery that  
we will. But who gave you your face?  
Dig, let loam glaze the  
pain, till we  
forget  
your  
name.
